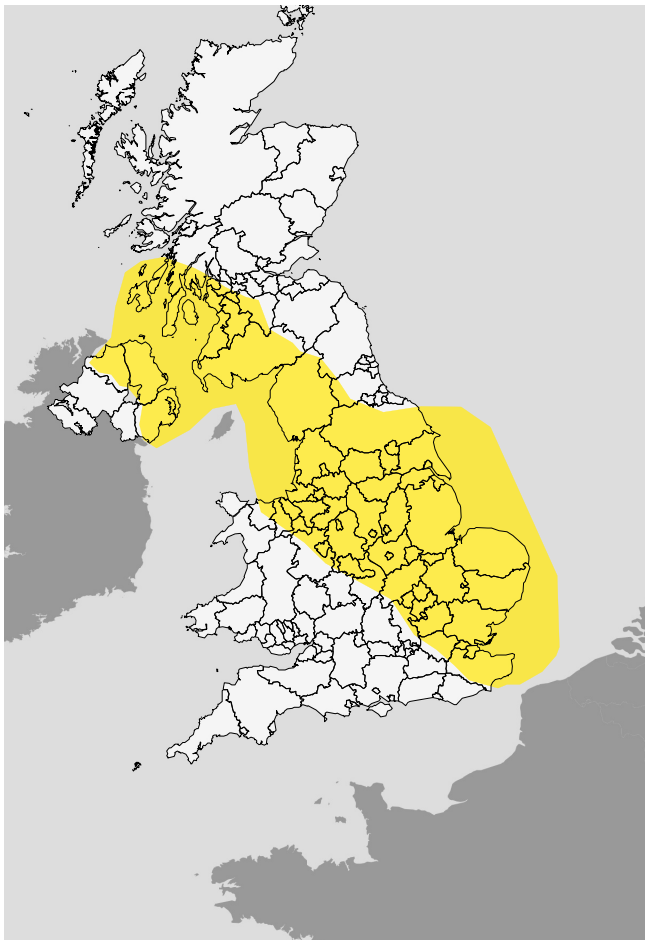
Yellow warning
Rain

Between
00:00 Sun 28 Jul 2019 and
23:59 Sun 28 Jul 2019



Heavy rain may lead to flooding in a few places and travel disruption.

What to expect

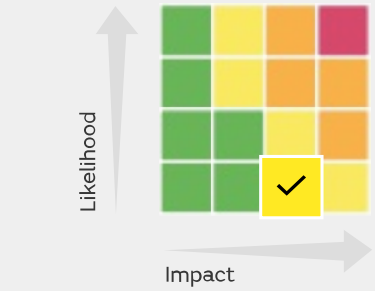
- There is a small chance that homes and businesses could be flooded, causing damage to some buildings
- There is a small chance of fast flowing or deep floodwater causing danger to life
- Where flooding occurs, there is a slight chance of delays or cancellations to train and bus services
- Spray and flooding could lead to difficult driving conditions and some road closures
- There is a slight chance of power cuts and loss of other services to some homes and businesses

Further details

A band of rain will affect the area through Sunday, becoming heavy at times, with the added risk of isolated thunderstorms developing across northern England and south-west Scotland during the afternoon and evening.

There remains some uncertainty in the location of the rain-band, so some places may see very little rain, but others could catch several batches of heavy rain.

20-30 mm may fall within 2-3 hours, with 40-60 mm in a few locations through the day.



Very low likelihood of medium impacts
